

MERIDIAN SOLID SURFACE ONE-PIECE SHOWER BASE

32" x 34"

Universal Offset Drain

Model #MSB3234SUOL (Left-Drain)
Model #MSB3234SUOR (Right-Drain)
Model #MSB3234SUOF (Front-Drain)
Model #MSB3234SUOB (Back-Drain)

- Integral shower floor and threshold for alcove installation
- Choose from a variety of solid colors and granite-patterned colors
- Offset drain configuration and fabricated threshold allow base to be used in your choice of four configurations
- Easy to clean surface, does not promote mold or mildew
- Textured flooring helps prevent slipping
- Tapered floor helps water flow to drain
- Rigid water barrier integrated into base
- Uses standard 2" NPS strainer assembly
- Certified by Home Innovation Research Labs to the harmonized CSA B45.5/IAPMO Z124
- Approved by the Massachusetts Board of Examiners of Plumbers and Gasfitters
